

VINGENT PRICE

Dear Michael

I loved the "spread"  
on my work & all the  
nice comments!

Thanks so much for  
letting me see it.

You're right about  
Elizabeth S. and you caught  
her exactly.

Ever

Dear Michael,

My brief note is this:

"What a delightful experience to  
re-live 'The Town of Higeia' for  
'Scarlet Street'. Your tribute to the  
movie is perceptive and very  
gratifying. Believe Roger Cornan's  
unique and invigorating contribution  
to film is only now being seriously  
realized and appreciated.  
What a pleasure to see Vincent  
Price honored. I can hear his voice  
in the interview.

I enjoyed the whole magazine.  
It is certainly entertaining to look  
at, and a good solid "read"  
too.

Wish 'Scarlet Street' a long,  
mysterious and horrific future!"

Look forward to meeting  
you when I am in New  
York, and we can speak  
further.

With all best wishes -

Elizabeth.
